Re: Shieldalloy Metallurgical Corporation
Newfield Borough, Gloucester County, New Jersey

Dear Mr. Rosenberg:

In response to our telephone conversation on August 30, 2006, enclosed please find copies of documents in my file regarding Shieldalloy Metallurgical Corporation (SMC) and their pursuit of a Long Term Control License from the United States Nuclear Regulatory Commission (USNRC).

The first document is a chronology that I prepared listing the various letters to and from the New Jersey Department of Environmental Protection (NJDEP), elected state officials and the USNRC. The chronology also included several letters and technical documents between the USNRC and SMC. I have enclosed copies of the majority of the documents listed in the chronology. A copy of the Decommissioning Plan (Revision 1a) is available on SMC's website at www.shieldalloy.com.

If you have any questions, please feel free to contact me at (609) 633-1494.

Sincerely,

Donna L. Gaffigan, Case Manager
Bureau of Case Management

C: John Hazen, NJDEP (w/o enclosures)
